

Meyers Library

The library is located on the second floor and is easily reached by either the stairs or elevator. It is one of the largest and finest synagogue libraries in the city. With Reference and Judaica selections and over 4000 volumes of contemporary Jewish literature, the collection runs the gamut from history to cookbooks, from biography to travel, from ethics to Jewish sports heroes. The children's section has more than 700 Jewish children's books, with selections for preschoolers through young adults. Current bestsellers are also available. All books may be borrowed for two weeks at no charge.
