

Religious School your child will *want* to attend? **Absolutely!**

Dear Prospective KI Family,

Welcome to KI – we want to invite you to experience a different kind of synagogue – one that is filled with energy and excitement. Come get to know our warm, personable clergy team, worship at our rocking family services, and be part of our many family activities and cultural events – come join the “synagogue to believe in”.

Since I came to KI over seven years ago, it has been my distinct honor to help guide our Religious School. At our school, we focus on teaching kids not just about their Jewish tradition but how to love being Jewish. I make a promise to every child who enters our school that they will have a good experience at KI, one in which they will meet new friends, discuss values and ethics that relate to their daily lives and learn Hebrew – our Jewish secret code. Together with our fantastic teachers and knowledgeable clergy, we work with each family to ensure that their individual needs are met. At the same time, we offer programs for parents who want to socialize during school, who want to learn a little more, or who want to be involved in their child’s education.

Our facilities are top-notch. Our large building allows creative programming including: a computer lab and computer specialist, an art program with its own art room and unique curriculum, a youth lounge for “hanging out” before school, and our “playscape” for play and outside learning for all ages.

I invite you to browse our website, look at pictures of some of our activities, see what's going on in our classrooms by reading sample newsletters, and investigate our curriculum. But I really encourage you to come visit, walk in our doors, sit in on a class and take a tour – let your kids come once and see that Religious School and synagogue can be enriching, engaging, and fulfilling for your kids and your entire family.

At KI Kids want to go to religious school, they make lasting friendships and form positive Jewish memories from the start.

Warmly,
Rabbi Stacy Eskovitz Rigler, MAJE, RJE
