

Calling Out for Tutors!

NEW TUTORING PROGRAM FOR THE CHELTENHAM SCHOOL DISTRICT!

Looking for tutors to help elementary aged children with basic skills in all subjects. Over the pandemic, many students lost a good amount of academics and are in need of support. Tutors should be 16 years and up!

Hi to all our wonderful tutor volunteers,

I am reaching out to you today to see if you are still interested in tutoring and to tell you that, due to the pandemic and many challenging circumstances, we will now be working with students from the Cheltenham School District.

I know it has been a long hiatus, however, we are hoping you are still interested in continuing with your crucial and essential volunteering. Once you confirm with me that you are willing to continue, both Marci Abt and I will be reaching out to the school district, to assure that we make a smooth transition to our new schools. Tutoring opportunities begin this summer, so please also let me know if you would like to start in the summer or the fall.

Looking forward to getting started and making a difference in these students' lives. It is so important now more than ever. Truly a Mitzvah!

With appreciation,
Toby Grubman
