Love Your Neighbor As Yourself

Dear Friends,

Thank you for your membership gifts and your belief in KI over the past year. As we approach the start of the new year, the work of your synagogue is as important as ever. Against a backdrop of staggering antisemitism, uncertain times and widespread prejudice, we remain a safe and nourishing place for community, Jewish education, holiday observance and deep meaning. For over 175 years, KI has been at the forefront of Reform Judaism, enriching families through diverse programming, social justice work and Israel engagement. You are a vital part of our synagogue family. Your voice matters here. You bring so much to us and help to make KI so truly extraordinary. Join us for another year of connection, learning, repairing our world, exploring the complicated realities of our time and working toward a more peaceful future. We appreciate your demonstration of connection to KI with your continuing membership and generosity. We're excited to find out how we can further serve your needs and meet your expectations this coming year.
